HEALTHCARE

IN HEALTHCARE, flooring solutions must respond to numerous demands. Health and hygiene are a clear priority, but the flooring must also provide a range of technical features and create a suitable environment where patients can heal and staff can work in comfort and ease.

AGED CARE

FOR THE ELDERLY, a secure, comfortable environment can prolong an active and independent life, and provide safety for the vulnerable. In this setting, flooring choices can contribute positively to support both the carers and those being cared for.

HOSPITALITY, TRAVEL & LEISURE

WITH EVER MORE DEMANDING GUESTS, hotels and museums are constantly searching for the competitive advantage that will differentiate their services. For major international chains, that often means a consistent style whatever the country, while boutique hotels, small chains, restaurants or bars may rely on individuality.
