THE ULTIMATE FLOORING EXPERIENCE

Tandus Centiva, a Tarkett company, creates innovative floorcovering solutions through our unique line of Powerbond®, Modular, Broadloom, Woven, LVT and MetalEdge transition products. Each of our product platforms offer coordinated styles, extensive color ranges and a variety of patterns and textures that enhance the appearance of any commercial environment. Tandus Centiva products are also designed to coordinate with a variety of Johnsonite wall base and finishing accessories, providing the Ultimate Flooring Experience across the Tarkett family of brands.
PRODUCT COORDINATES – TRANSITION: METALEDGE COLLECTION

MetalEdge provides a transition solution and finish detail for any commercial space. It is offered in three aesthetically pleasing and tastefully refined systems, each engineered and colored to work with a vast array of Tandus Centiva soft and hard surface product platforms. Please contact your Tandus Centiva account executive for details.

- **Rollability** is the ability to move (or roll) pieces of furniture such as chairs or beds on flooring.

- **MODIFIED BRIT. SPILL TEST** = 100 ml of dye is applied to the center of a carpet sample and left for 24 hours to confirm resistance to moisture transmission through the secondary backing.

Information subject to change. Please visit tandus-centiva.com for the most up-to-date specifications.
ReStart® includes Tandus Centiva’s third-party certified reclamation and recycling program that reclaims and recycles post consumer flooring, installation waste, samples and portfolios. To initiate ReStart, contact customer service at 800-248-2878. ReStart is available for all Tarkett products and may be initiated by contacting your Tarkett representative.
