Freeform — The new product platform that provides freedom to be off the wall.

This innovative platform offers a precision cut, freelay, acoustical flooring solution for quick refresh and access needs. With product available in 2 sizes (18" x 45" and 9" x 90") that fit evenly together, any way you put them down, design freedom and flexibility abounds.

The ability to freelay Freeform panels offers immediate access to sub-floor or raised panels with no floor adhesive required. It also offers a building-block flexibility to expand, contract or relocate as floor space needs change. The cushion backing of Freeform delivers improved acoustics and comfort under foot. Freeform is precision cut, providing a virtually seamless installation.
