

Certificate

Tarkett Indoor Air Quality Gold

Tarkett Group I

Products / Product Group

Tarkett GDL SA, 9779 Lentzweiler, Luxemburg

Manufacturer

The products have undergone a successful testing and evaluation program as specified for Tarkett Indoor Air Quality Gold certification version 3.0 (2016). This includes a chamber test of emissions and aldehydes and a surveillance of the manufacturing site according to DIN 18200, performed by Eurofins as independent third-party certifier and testing lab.

Evaluation of the results from emission testing and inspection:

- ✓ Sum of VOC (TVOC) was below or equal to the limit values of 100 µg/m³ after 28 days.
- ✓ Quality management system and factory production control program at the production site are capable to ensure a continuous production of very low emitting products.
- ✓ Therefore the product qualifies for the Tarkett Indoor Air Quality Gold label.

Certificate No.: TIAQG-30-05-01-2016
Date: 21 December 2016
Validity of certificate: 21 December 2021, with annual surveillance and retesting

Head of the Certification Body
